## ■ Course Information

**Target Audience:** All military officers, enlisted, US Government civilian employees, and other government agency employees.

**Description:** The Dynamics of International Terrorism (DIT) course is a basic course designed to provide students with an awareness and appreciation of the organization, motivation, operational capabilities, and threat posed by terrorists on an international, national, and regional basis. It is geared towards individuals who have had no previous formal training about terrorism or antiterrorism. Strong emphasis is placed on protective measures that government personnel and their families can employ to minimize the threat.

**Course Enrollment:** The course you have selected is an Open Enrollment course. This course requires no prior approval from USAFSOS faculty and course quota can be requested directly. Students may enroll for this course via BlackBoard, or by obtaining a training line number from their unit training manager. For Blackboard direct enrollment, go to the BlackBoard link below and follow the instructions. If enrolling through unit training manager (Open Enrollment link above) supply the PDS code found in the above panel, and course dates to your local training manager who will in turn reserve a course quota for you in the training system. All students should request a USAFSOS Blackboard account which enables access to specific course materials. To access Blackboard, copy and paste the following address into your browser's address bar: <https://afsoc.blackboard.com>. (We are currently unable to link directly to the USAFSOS Blackboard site per AFI 33-129, paragraph 6.91.)

**Note:** Course will end NLT 15:00 on course end date, unless otherwise noted.

### Special Security Instructions:

This course is taught at the **UNCLAS** level.
